Meetings

Typically, WICM meetings are carried out as Microsoft Teams meetings, 11am-1pm and take place quarterly.

Meetings discuss, prioritise, commission and review workstreams. They are open and friendly meetings where all members are invited to contribute and innovate.

There may be occasional face to face meetings in London. Travel expenses are reimbursed subject to the usual arrangements.

Disclosures of interest:

All Members should disclose to the Chair any relevant conflicting interest of any kind (financial or otherwise) arising in relation to any item on the agenda.

Meeting arrangements

The business of a meeting of the Sub-Committee will comprise the minutes of the previous meeting, and may include presentations, progress updates on projects and initiatives.

Copies of the agenda and accompanying papers will be sent to members in advance.

Members can request the chair to add items to the agenda in advance of the meeting.

All members are encouraged to feel able to speak freely and contribute to the discussions.

Whenever possible, the Chair of the Sub-Committee will try to obtain a decision by consensus.

Voting (if required) will be by a show of hands of the members present (either elected or appointed but not co-opted).

The motion will be passed by a simple majority. In the event of an equality of votes, the Chair will have a second, or casting, vote. The ruling of the Chair on a point of order will be final.

Support

On beginning your appointment you will join the Sub-Committee, some of whose members have been in post for over 3 years. They will support you from your first meeting and throughout the first year. The WICM Sub-Committee works in a positive and open environment and the FICM team will be on hand to support you as you join and with any subsequent workflow.
